Visitor information

- Garden closes at 5:00pm. Gates into Durgan village are locked at 4:30pm. Please note that the garden will close at dusk if earlier.
- There are some steep slopes and steps in the garden. If you would like to avoid the steeper parts of the garden, please follow the purple route. In wet weather the ground can become slippery so do take extra care in these weather conditions.
- Please help us look after the garden by keeping to the paths and not climbing on the trees during your visit.
- Please note that there are bee hives and honey bees in the orchard.
