# Weddings at Gunby Hall and Gardens

A magical location for your special day

National Trust is a registered charity no. 205846

## Gunby Hall – a perfect venue

Gunby Hall and Gardens, set on the edge of the Lincolnshire Wolds, is the most romantic location for your special day. Built in 1700 as a home for the Massingberd family, this superb English country house is picture perfect in every way. Set amidst beautifully landscaped gardens and surrounded by stunning parkland, Gunby Hall and Gardens is available to book for wedding ceremonies, photographs and drinks receptions throughout the year.

## What we offer

Ceremonies can take place on weekdays or Saturdays during the morning or afternoon.

At Gunby Hall and Gardens we offer a selection of wedding plans to suit your needs.

From intimate wedding ceremonies in the Music Room, photographs in the beautiful gardens and champagne receptions in the Entrance Hall, every wedding at Gunby is unique.

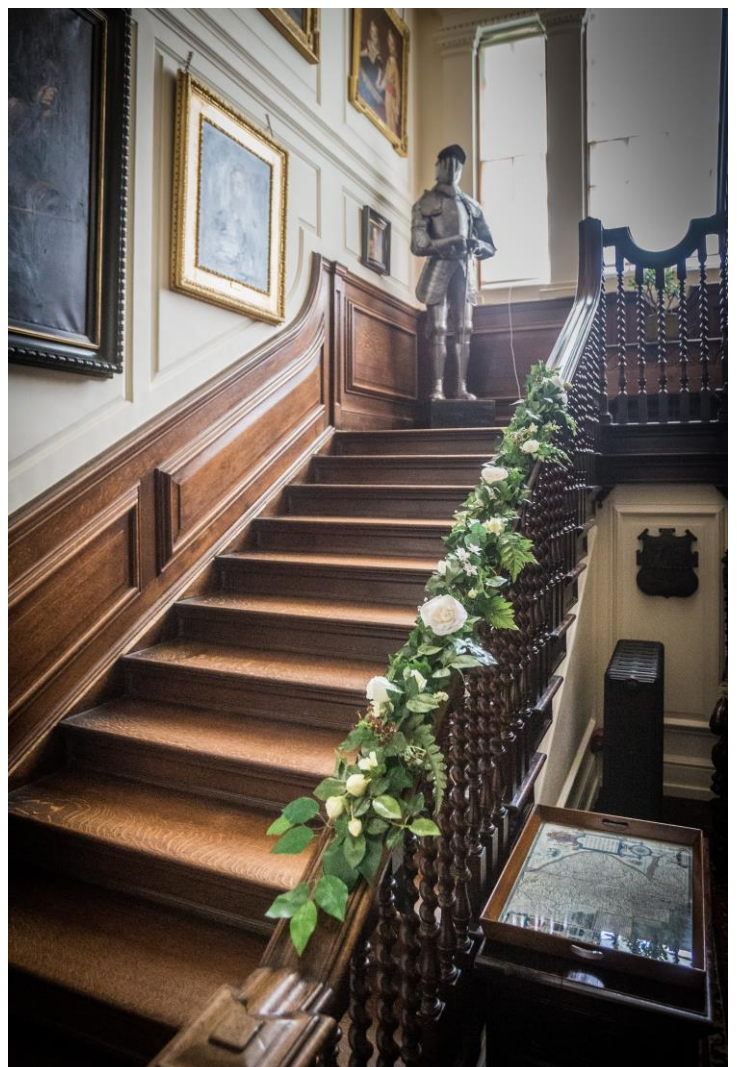

## Ceremonies in the Music Room

The Music Room, with its superb panelling and classical proportions, is the perfect choice for an intimate and romantic ceremony. We are licensed to hold civil ceremonies for up to 50 guests.

Make your arrival in style, from the first moments arriving on our drive to the impressive circuit sweep of the grassed oval, pausing for photographs at the front steps before entering the front door to Gunby Hall. Say 'I do' surrounded by family and friends in a stunning setting.

After your ceremony the bride and groom are joined by their guests on the front steps, overlooking the beautiful formal garden with its timeless topiary, fragrant lavender, and wonderful views of the surrounding parkland.

## Photographs in the Gardens

Gunby's beautiful gardens make a truly special setting for your photographs. Whatever the time of year there will be something to delight you and your guests.

## Champagne Receptions in the Entrance Hall

After your ceremony, why not enjoy a special celebratory drinks reception in the Entrance Hall surrounded by impressive paintings and collection of ceramics. We can only allow clear cold fluids in the Entrance Hall. Champagne, sparkling wine and soft drinks and glassware are provided by the clients.
