

Claydon Access Statement – Updated March 2024

Car park

- Two dedicated priority spaces in the gravel car park for visitors with limited mobility, with level access to Visitor Reception.

Toilets

- There are two adapted WCs, one located in the courtyard and the other by the car park.

House

- The house is accessed via reception. Flat surface throughout.
- The ground floor of the house is accessible and a virtual tour of the upstairs of the house is available.
- Chairs with a blue ribbon indicate they are available for public use. If you require a seat whilst touring the House and there isn't one available, please ask a room guide who will be happy to direct you to the nearest seat.
- Please be aware the lighting is low for conservation reasons.

West Terrace

- Sloped access to the West terrace is via an open gate, to the right of the hut in the car park.
- Benches are available.

Lawns

- Main garden entrance is accessed via one step. There is an alternative accessible entrance available via the West Terrace.
- Gravel path from the house exit on the South Lawn, along the West Terrace to the car park. Most of the garden is grass, sloping and in places uneven. The terrain can become difficult to use a wheelchair on when wet.

Courtyard (owned and managed by The Claydon Estate not National Trust)

- Tearooms are fully accessible.
- All shops in the Courtyard are accessible.

Parkland

- Bridle path is available for the public .
- Three lakes are in the parkland. There are no barriers.

Church (Parish not National Trust)

- Accessed via the West Terrace. Uneven terrain and slight incline.

Assistance dogs

- We welcome assistance dogs in all areas of the property, as long as they are wearing their tabards/harness and working.
