Introduction

Ilam Park is located in the picturesque village of Ilam, on the Derbyshire / Staffordshire border. There are 158 acres of parkland and a terraced garden, surrounded by limestone hills with magnificent views. The present Ilam Hall was built in 1826 and is now a Youth Hostel, (therefore the Hall is not open to general visitors). Ilam Park is open every day and the tearoom is open every day except Christmas Eve and Christmas Day. The property was not built on level ground and so there are steps and slopes to contend with. The toilets, second-hand bookshop and grab and go food and beverage outlet are located in the stable yard, approximately 100 metres from the car park. The tearoom is accessed via a gravel path and steps. Alternative food and beverage access arrangements are in place, see below for details.

There is no mobile phone reception at Ilam Park. In an emergency, the second-hand bookshop has a landline telephone which you can use.

Dogs on leads are welcome throughout the parkland and garden. Dogs on leads are also welcome in the second-hand bookshop and grab and go food outlet. Assistance dogs are welcome in the tearoom. There are water bowls for dogs located in the stable yard. There are waste bins which can be used for dog waste in the main car park and stable yard.
