## Some of Standen's best bits...

### ...for art lovers

- Discover our collection of William De Morgan ceramics throughout the house.
- See Morris & Co. textiles including wall hangings, cushions, curtains and bedspreads - especially good in the Drawing Room and bedrooms.

### ...for green fingers

- Head out on to the South Terrace for the colourful flower borders throughout the year.
- See the Kitchen Garden in production and discover vegetable growing inspiration.

### ...for families

- Answer the call of the wild and explore the play area and Hollybush Wood.
- Enjoy the 'Little Room' next to the Conservatory where the Beale children used to play.

### ...for explorers

- Use our mapped footpaths to lead you around the wider estate.

For more ideas of what to see throughout the year come and talk to us at Visitor Reception
