

Exploring safely

We want everyone to have a safe and happy day out so please keep children under close supervision. The abbey is a historical building so please don't climb on it – use our wooden playground instead.

There are some gentle and steep slopes around the estate – some of the most challenging gradients are marked on the map. Please be aware of deep running water, uneven ground and height drops on the estate. We recommend wearing sturdy shoes when you visit.

We can experience unpredictable weather so the indoor shelter spaces and locations of drinking water taps are marked on the map.

Welcome and tickets

- Visitor Centre
- Westgate
- Studley Royal
- A Bird hide
- B Play area

Abbey

- C Swanley Grange
