

Continue your adventure at home

Create wild art

Making wild art is brilliant. When it comes to creating wild art, the only limit is your imagination. There's so much to choose from whether you're at home or in your garden.

You could perhaps try and find things with different colours or textures. Remember, anything can be made into art!

What you could use

- Leaves
- Pegs
- Feathers
- Egg boxes
- Twigs
- Old magazines
- Pots from your recycling

There's too much to list here but these ideas will get you started.

When you have your materials, think about what art you could make with them.

Could you arrange them on the ground to make a picture or pattern? Or perhaps you could stick some together to make a different shape? Could you even make an animal?

We would love to see an image of your art! Why not share it on Facebook and tag us @AveburyNT?
