Family games

Every fair weather day family games are available to borrow in the Church Garden. There are also picnic blankets and steamer chairs to help you relax or enjoy a picnic.

There's lots of fun to be had this summer at Avebury. Take part in daily activities and pick up a teddy bear discovery trail from the museum Barn Gallery (£1). Activities marked with a '£' have a small charge. All other activities are free although admission charges may apply and please note that lots of rain may mean some things get cancelled!
