

How to set up a Just Giving fundraising page for the National Trust Wiltshire Landscape Walking Challenge

1. Go to www.justgiving.com
2. Log in if you have an account (or sign up with a new user name and password).
3. Click on **'Start Fundraising'**.
4. From the two options select the one marked **'A Charity'**.

5. Complete your profile if asked as this point (unless you have one already).
6. Under **'Search for the cause you'd like to support'** type **'National Trust'** press **'Search'** and then select from the options that appear below.

7. Then select **'Organised event'**.

8. Then select **'Wiltshire Landscape Walking Challenge'**.

Don't worry about the date, the challenge runs until 30 Dec 2019 and you do the walks whenever you want.

9. Note: don't be put off by the date here, the challenge runs until 31 Dec 2019 and you undertake the walks at any time to suit you.

10. Then (if you don't already have a page) choose your fundraising page web address from the options offered.
11. Next complete the rest of the form as below:
 - *Are you planning to ask for donations to your JustGiving page in return for goods, services or other benefits?* Select **'No'**
 - *Is your charity contributing to the cost of your fundraising?* Select **'No'**
 - *I'm happy for National Trust to keep me informed, by email, about the impact of my fundraising and other ways to stay involved including future events, campaigns and appeals.* Select **'Yes'** or **'No'** as you wish.
12. Then press **'Create your page'**.
13. You can then click on **'Edit your page'** to put your profile image on the site, explain your reasons for fundraising and set your fundraising target.
14. Once you have done this you can share your page on social media and inspire your friends to have a go too.

Good luck!

Any money you raise will go directly towards looking after these special places.

Thank you.
