

Group booking form

This form is designed for the group to provide information about their event to the National Trust.

The Long Mynd is a Special Site of Scientific Interest (SSSI); therefore, there are certain areas of the hill that are particularly sensitive. The National Trust may offer alternative route suggestions to protect these areas from damage. The National Trust may also offer alternatives that would improve the experience for participants and reduce impacts with other visitors and users of the hill.

The National Trust may also be able to provide further help, advice or support to make your event even better.

The National Trust and Shropshire Council maintain the rights of way and permissive paths across the Long Mynd. National Trust is a charity and each NT site must raise its own funds to pay for maintenance and facilities. We ask for a donation of at least £2 per participant (£1 for charity events) so that these funds can go directly towards looking after this beautiful place forever, for everyone.
