The start and finish of the Xplorer challenge is marked by a  .

The challenge is to find the 10 markers that are located around the grounds.

The location of the markers is shown on the map by a numbered  .

When you find the marker, write the name of the plant or tree, which is written on the marker in the numbered box below.

You can check the answers are correct at the finish. Good luck and have fun!

Name		Start Time:	Finish Time:	Total Time:
1	2	3	4	5
6	7	8	9	10
