

# Out and about

## Woof, woof

Dogs are more than welcome to take their owners on an adventure around our estate walks. All we ask is for dogs to be kept under close control or on leads on the way marked woodland paths and on leads in areas of grazing and on the main visitor route. Please pick up after your dog and take home with you to dispose of. In the woodlands please 'stick and flick' away from the paths. Well behaved dogs are also welcome in the outdoor seating area of the Ox Yard.

## Picnics

You're free to have a picnic anywhere outdoors during your visit. Our favourite spots are on the lawn outside the abbey, within the orchard and half-way around the Abbots 'yellow' walk.

## Buckland Food Growers and community allotments

The allotments situated just 5 minutes away from the Great Barn are home to various vegetable patches, chickens and pigs. Visit [bucklandfoodgrowers.co.uk](http://bucklandfoodgrowers.co.uk) for more details.

## Spotted something?

Out exploring the estate and spotted something that our outdoors team should be aware of? Be it a fallen tree, a broken fence or any interesting wildlife. Let the team in visitor welcome know and they'll pass it on to our outdoors team.

## Higher Paddock play area

Just a 20 minute walk from the Great Barn, the Higher Paddock play area is perfect for outdoor fun. How fast can you zoom across our zip-wire?

## Estate walks

All our walks start from the Cart Pond, taking in Tavy valley views, woodlands and wildlife. Wonderful in all seasons, don't miss our spring bluebells, welcome shade in the summer and spectacular autumn colours.
