

The Castle

Nothing is normal inside the castle, see how our creative partners have brought to life the stories of Drogo in a whole new way.

Jelly trail

See if you can find the 10 jelly moulds around the garden. Then see the originals that inspired them inside the castle.

Orchard

Full of wild flowers this is the perfect place for a peaceful picnic.

Site hut

Don't miss the site hut to discover about the building work past and present.

Bunty House

Complete with its own miniature garden, peek through the windows of this tiny house were generations of Drewe children played.

Mr Drewe's path

Take a stroll along Mr Drewe's favourite path and enjoy the views up and down the gorge.

Croquet lawn

Play games on the lawn. If you fancy a game of Croquet ask at reception (May-Sep).

The luncheon house

Discover more about the garden by picking up a guide.

Teign Spirits

Around the garden and gorge look out for a series of 10 photographs by artist Mike Smallcombe that have been inspired by the stories of Drogo.
