

## **South Cheshire National Trust Association**

The South Cheshire National Trust Association welcomes new members. Membership is open to National Trust members, registered volunteers and members of the Scottish National Trust. The annual fee is **£7** for single members or **£10** for families living at the same address. Members receive two newsletters a year and the opportunity to attend monthly meetings with speakers, day trips both by coach and car, escorted coach holidays, walks and luncheon clubs.

To find out more contact the Membership Secretary Anne Pegg Tel: 01270 569661 or just come to a meeting to try us out. We look forward to meeting you!

Meetings take place at the Function room, Nantwich Football Club, Water Lode, Nantwich CW5 5BS on Wednesday evenings monthly starting at 7.30pm.

### **2019-2020 Winter Programme**

- September 25th**      **THE DUNHAM ESTATE FUTURE PROJECT**  
Kathryn Heaton, Project Manager at Dunham Massey gives her presentation, looking at how the estate should look and feel in the future with a view to delivering to the communities.
- October 30th**      **AGM & WORKING FOR THE BRITISH ANTARCTIC SURVEY**  
Following the AGM, Joe Corner, Project Manager on the Antarctic Infrastructure Modernisation Programme, tells us of his work and life in this frozen continent and hopes to bring some equipment to display.
- November 27th**      **CHEQUE PRESENTATIONS / A GARDENER'S YEAR AT WOLLERTON OLD HALL**  
Presentation of the Association's donations to the successful NT properties, then a talk about Wollerton Old Hall garden by Phil Smith, featuring many recent photographs of the beautiful garden.
- December 18th**      **CHRISTMAS LUNCH**
- 2020**
- January 29th**      **HMS RODNEY AND MY DAD**  
Steve Bartlett tells the story of this ageing Second World War battleship and its crew through two Malta Convoys, the North African, Italian and Normandy landings and finding fame sinking the Bismarck, all without losing a single crew member in action.
- February 26th**      **ROBERTS BAKERY – THE STORY OF A FAMILY BUSINESS**  
Graham Finnigan tells us about the history of the family firm from small beginnings.
- March 25th**      **GLOBAL WARMING: NOT QUITE ALL THAT IT SEEMS**  
Dr Rick Marshall on this topical subject. Greenhouse gasses are just a side effect of the basic problem we face. There is a foolproof way forward but “saving energy” isn't really included as it only makes the problem worse!

**April 29th**

**ART NOUVEAU & ART DECO**

Dr Lawrence Fairman will give us an informative and interesting talk about this period.

**May 27th**

**THE ROLE OF THE LORD-LIEUTENANT**

David Briggs MBE, KStJ, Lord-Lieutenant of Cheshire talks about his fascinating experiences in this role. Definitely not to be missed!
