Introduction
1. Morden Hall Park is an ancient, Arcadian country estate enveloped by South West London. 125 acres of beautiful parkland, meadows and wetlands with a number of historical buildings including Morden Hall, our 19th century Stable Yard, a Snuff Mill and National Trust Garden Centre and Café. Visitors come in all weathers throughout the year to enjoy our park.
2. Access via Morden Hall Road in to our walled carpark, pedestrian gates around the outskirts of the park or via our two tram stop entrances, Phipps Bridge and Deen City Farm.
3. Good mobile phone reception across the site.
4. Dogs must be kept on the lead in the Rose Garden and around buildings - signs in place throughout the park and at entrances to the Rose Garden.
5. The park has the River Wandle flowing through with a number of bridges to cross the river.

Arrival & Parking Facilities
1. There are brown signs from all directions heading towards Morden Hall Park. The main entrance is off Morden Hall Road leading into the walled kitchen garden carpark.
2. There are four disabled car park spaces located along the edge of the carpark, nearest to the café and garden centre. Firm tarmac surface in main car park. Overflow carpark, located in our paddock next to main carpark is mixture of tarmac and grass surface.
3. No transfer vehicle. Two manual wheelchairs are available from the Garden Centre by request.
4. Surrey Arms entrance is a pedestrian gate; main path from this entrance is gravel path which leads to other paths criss-crossing the park.
5. The Phipps Bridge and Deen City Farm entrances are located on the tram route from East Croydon to Wimbledon. Please be aware to enter the park you will need to cross the tram tracks using the crossings.

Toilets
1. Accessible toilets located in Café, Snuff Mill and Stable Yard. Accessible toilets are 1.5 x 2.2 m. Accessible WC is right hand transfer.
3. All WCs (both accessible and non-accessible) have automatic hand driers at appropriate height.
Rose Garden and Park

1. See map to layout of park – majority of paths are gravel tarmac mix. Other pathways are tracked areas across the meadows and parkland – in wet or winter months access to these areas will be more limited and may become very muddy.
2. Majority of paths are flat with slight inclines up to bridges and as you go over the bridges.
3. Opening hours vary in summer months 8am-6pm, winter months (November – February) 8am-5pm.
4. Various benches throughout the park.
5. River runs throughout the park.

Catering

1. Main Potting Shed café located next to car park and Garden Centre (access via bridge). Tables and chairs available both indoors and outdoors (some covered outdoor areas).
2. Access to café via manual doors, with staff available to assist with doors and carrying trays if required.
3. Toilet facilities available inside café.
4. Mixture of table sizes and chairs easily moved to make space for wheelchair users.
5. Food service via staffed counter and assistance with food/menu enquiries available at till point.
6. Stableyard café (limited opening) is located in the visitor stableyard with mainly outdoor (Not covered) picnic style seating.
7. Kiosk in Rose Garden at peak times with limited offer and no seating.

Garden Centre

1. Access via bridge from main car park and through automatic doors (may be very warm inside garden centre during summer months and cold in winter)
2. Staffed tills and information point with staff on hand to carry items as needed – delivery service (charge may apply) also available for some items.
3. Mixture of indoor and outdoor spaces with variety of plants and garden related items.
4. Access to outdoor section of garden centre also via automatic doors.
5. Structure consists predominately of glass and wood so may be very bright inside at times.
6. WCs (including disabled and baby changing) available.
