Welcome

Morteheo is the gateway to a wild, remote coast with a rich history of wrecking and smuggling. Even though this area may feel remote many of the paths have level access including the well maintained driveway to Bull Point lighthouse. During the summer there are regular tractor trailer rides in the area allowing all to enjoy this spectacular piece of coast and the vast array of wildlife (including over 100 bird species) that lives here.

At a Glance

Level Access

- There is level access to:
 - Woolacombe and Morteheo Tourist Information Centre (TIC)
 - The walk to Bull Point lighthouse

General

- There is one public toilet for disabled visitors.

Getting here

Morteheo
Near Woolacombe

Travel by public transport
