## Insurance arrangements for members and visitors

Whilst we welcome our members and visitors to our events and activities please note that the insurance carried by the Cheltenham and Gloucestershire Centre through the National Trust:

- 1) Applies only to members of the Centre and not to visitors even if they are members of the National Trust.
- 2) It does not provide personal accident cover for centre members aged 80 years and above.

The Centre is not allowed by government statute to offer any advice about insurance but of course members or guests may wish to make their own arrangements. Details of the insurance policy document can be obtained on request from our secretary.

## Be part of it

Being part of a supporter group is all about finding out more about your local places and being with people who feel passionate about the same things as you.

As a member you will be kept up to date on our events programme through a quarterly newsletter - which you can have printed or digitally - and our website **[cheltglosntc.org.uk](http://cheltglosntc.org.uk)**
