

Local Supplier Information

Supplier	
Contact Name and Number	
Address	
Website	
Date	

Please fill in the form below and email

to: welshlocalproduct@nationaltrust.org.uk; please also include any links to your product, or images (maximum 3). Please do not forget to check that you are able to supply products that meet our sourcing standards (sourcing standards checklist available from our Wales Local Buying web page).

Suppliers will be selected to attend meetings to show their products; this selection will be based on information in this form and product requirements of local shops. This is the first step in the process of local supplier selection and if successful at this stage there will be further forms that will need to be completed, plus for food and drink suppliers there is an accreditation process with associated costs.

ABOUT YOUR COMPANY AND YOUR PRODUCTS
Are you an existing supplier to NT or have been in the last 3 years? If yes, please give details
Who else do you supply?
What is your company's background/story?
