Walks at Brockhampton Estate

Please keep your dogs on leads at all times, as Brockhampton is a faming estate and is home to livestock.

Carriage Rides
Distance: 3 ¼ miles (6 km)
Time: allow min. 2 ½ hours
Walk start point: A or B
Our longest and most challenging walk, taking in the fine views offered by the Georgian planned Carriage Rides. This walk takes in all aspects of Brockhampton; including the moated Manor house and some of our lovely farmland. Much of the woodland along this route is managed not only for its quality timber but also the abundant array of wildlife that can be found. Spectacular cascades can be heard and seen at various times of year. Mother natures makes this as much of a challenge as the terrain.

Parkland Walk
Distance: 3 miles (4 ½ km)
Time: allow min. 2 hours
Walk start point: A or B
A challenging walk around the Grade II listed Parkland. Veteran trees abound which are now home to many species of wildlife. Work has taken place around the Lawn Pool to open up some of the original views to and from the Georgian House.

Woodland Walk
Distance: 2 miles (3 ½ km)
Time: allow min. 1 ½ hours
Walk start point: A
Why not see how many native trees you can spot in our woodland. This woodland was once part of the Leggett inspired Parkland. Some of the large old specimen trees will have been planted in the late 1700s as part of this design.

Top To Bottom Trail
Distance: 1 mile (1 ½ km)
Time: allow min. 45 minutes
Walk start point: A or B
A short climb to the top of the estate; this trail takes in the edges of our woodland and an area we believe was part of the Georgian house’s pleasure ground.

Closed at this time
Welcome to Brockhampton
Your visit today

What can I see and do?

- Enjoy the countryside walks, following the waymarked routes and the map inside this leaflet.
- Some areas of the property are closed as we can’t ensure social distancing, including the Manor House, garden, nature play trail, tearoom, shop, bookshop and visitor reception.
- Please help us to look after Brockhampton by either taking your litter home or putting it in the bins provided. Dog waste can also be put in the general waste bins.

Other ways you can support us during this time…

Support the Trust’s work—we’re a charity and we rely on donations.
You can give £5 by texting TRUST to 70515. To keep everyone safe, please don’t donate cash at the moment, thank you.

Keeping yourselves and others safe

- You’ll see signs, arrows and instructions on your visit today—please follow these carefully
- Please keep 2 metres apart
- Toilets are operating under a one-out one-in system and are checked and sanitised regularly.
- Please keep dogs on leads and under control at all times.

Thank you for visiting and supporting us today.
It’s helping us to stay open for everyone.
