Welcome to Dudmaston

We’re so pleased to welcome you back.

We’ve made some changes to keep everyone safe.
• Most walking paths are one-way. Look out for signs to guide your route.
• Keep a safe distance from others.
• Keep your dog on a lead for your entire visit.
• In line with government guidance, some of our facilities aren’t open yet. We’re working hard to get these open as soon as it is safe to do so.

We’re all in this together. Help us to keep Dudmaston open, safe and enjoyable for everyone. Your support, as always, is really appreciated. Thank you.

National Trust is a registered charity number 205846.
