

Cotswold Outdoor discount for National Trust supporters: Details and Terms & Conditions

What is the discount?

National Trust supporters receive a 15% discount at Cotswold Outdoor, in store and online when you sign up to Cotswold Outdoor's free Explore More benefits scheme. Ts&Cs apply. See below for more details.

How to sign up and use the discount in store

To sign up to Explore More as a National Trust supporter in store, you will need to produce evidence that you are a current National Trust supporter (which may include your membership card, a magazine or handbook, letter from the National Trust or a receipt from a National Trust property (**'Supporter Proof'**)).

You are then eligible to join Explore More as a National Trust supporter and will be identified as a National Trust supporter on your Explore More account.

When you are identified as a National Trust supporter on your Explore More account, for in-store purchases you will just need to present your Explore More card at the point of purchase to activate the discount and do not need to provide further proof that you are a National Trust supporter at the point of purchase.

You will automatically receive the National Trust discount on production of your Explore More card.

How to sign up and use the discount online

You can also join Explore More online, by clicking here:
<https://www.cotswoldoutdoor.com/account/registration-page.html>.

If you are a National Trust supporter and are registering for Explore More online, you must contact Cotswold Outdoor's customer service at enquiries@cotswoldoutdoor.com, enclosing a copy of your Supporter Proof (which may include your membership card, a magazine or handbook, letter from the National Trust or a receipt from a National Trust property) or show that Supporter Proof in store.

Cotswold Outdoor will then identify you as a National Trust supporter on your Explore More account.

When you purchase online during 2020, in order to receive the discount you will need to use the code AF-NT-AF when prompted for a discount code at the point of purchase.

How does it benefit the National Trust?

When you use your discount up to 5% of the purchase price is returned to the National Trust to help look after the places you love to explore. In exceptional circumstances, up to 7% of the purchase price may be payable.

The National Trust also gets 50p for each person who identifies themselves as a National Trust supporter within 30 days of sign up to Explore More.

Offer duration

Offer expires 31.12.2020 or as may be extended (the Offer Term).

Where you are identified as a National Trust supporter on your Explore More account, that will remain valid, and you will be eligible to receive the partnership discount, for the period identified on your National Trust membership card (where you provided a relevant membership card) or for 12 months from the date that you showed your Supporter Proof (where you provided other relevant proof).

Once that period has expired, you will need to provide new Supporter Proof (as set out above) in order to continue to be identified as a National Trust supporter on your Explore More card and to continue to receive the partnership discount.

You can provide that Supporter Proof in store or by emailing Cotswold Outdoor's customer services.

Once Cotswold Outdoor has received Your Supporter Proof your status as a National Trust supporter will be renewed on your Explore More card for the periods set out above.

Exclusions

The discount cannot be used in conjunction with any other offer or discount. Selected lines are exempt and included lines are subject to availability for the Offer Term.
