

Petworth Park stroll – Tuesday 24th October 2017

The weather was due to be overcast and dry, and so it started.

Fairly shortly thereafter the weather turned to a light “mizzle”. We continued our stroll and the mizzle stopped and we completed our 2.43 mile stroll.

Taking to the cars we drove to The Stonemasons Inn in Petworth and took lunch. Most people had selected the two course option at the reduced negotiated rate of £17.99.

All agreed that they had enjoyed the stroll and that the pub food was excellent.

A “watering hole” to be highly recommended.
