

Ashridge

Shaw's Corner

Associations promote the work of the National Trust and make membership and volunteering more enjoyable and allow members to share their interests with like-minded people in their area.

Through an organized year-long programme of talks, outings and holidays, members make new friends, learn about the National Trust and its properties, and raise money to support its work.

Membership is open to anyone who would like to support our work. You do not have to be a member of the National Trust.

For more details of events and to join please contact:
