**Goal:** To win all of the cards!

**Instructions:**

Photocopy these pages if you'd like more cards and then carefully cut out the springtime pairs.

Shuffle the cards and deal them out face down.

Take it in turns to turn over the top card from your pile and put it face-up in front of you.

When two of the face-up cards match, the player who calls 'Snap!' first wins both piles and adds them to their face-down pile.

The player who wins all the cards wins the game.
