Weddings at East Riddlesden Hall

EAST RIDDLESDEN HALL

We're delighted that you're interested in celebrating your special day at East Riddlesden Hall; a rustic barn wedding venue in Yorkshire.

The romantic Airedale Barn, has all the modern touches under one roof from underfloor heating to a waterfall of fairy lights. The atmospheric barn can seat up to 160 guests for your ceremony and wedding breakfast, or 250 standing, is in a setting seeped in history and is proudly looked after by National Trust. Inside the main house, the 400 year old Great Hall is perfect for intimate wedding ceremonies and can seat up to 30 guests. The warm stone walls and grand fireplace offer a perfect backdrop to take your vows.

We're here to help you every step of the way, as much or as little as you would like, right up to your big day. Our fantastic wedding team have plenty of experience and would love to hear your ideas and play a part in making them happen.

FAQs

How do we secure our wedding date?

You can secure your wedding date by completing a booking form with a member of the team. You will then receive your wedding contracts in the post which need to be returned within 28 days of receipt, along with your £1,000 deposit. You can pay your deposit by cheque or by card.

Are there any hidden costs?

We will only ask you for our set hire price listed previously in the brochure. Other external costs you will need to consider will be your registrars fee for your wedding ceremony, and your catering costs. From there you can do as much or as little as you'd like with hiring suppliers and decorating the barn. We do have a couple of optional extras available at the venue so please get in touch with the team to find out more!

Do you allow fireworks and firepits?

As we are a site proudly looked after by the National Trust fireworks, fire pits and sparklers are not permitted on site. Candles are allowed inside the Airedale Barn.

Are you dog friendly?

Dogs are welcome for your wedding ceremony and drinks reception. We ask they are picked up before your wedding breakfast and evening party takes place. Please note dogs are not allowed into the house and formal gardens,

FAQs

Can we use external caterers?

We don't allow the use of external caterers and ask that you choose from one of our carefully selected catering partners. Your caterer will also provide your drinks package and evening food for you. You are welcome to use a separate supplier for your wedding cake and sweet carts.

Can we provide our own drinks?

Your caterer will provide you with a drinks package option for your drinks reception, toast drink, and table drinks, or you can provide these drinks and pay your caterer a corkage fee. The venue bar is open alongside your drinks package from after your ceremony until 11:30pm and is not affected by any drink limits.

Can the bar stay open past 11:30pm?

As East Riddlesden Hall is located in a residential area we cannot extend our licence, however the wedding team will be more than happy to discuss how you can make your wedding day timings work for you and your guests!

Do you have parking available on site?

We have plenty of parking available for you and your wedding guests. We ask that a maximum of 5 cars are left overnight to ensure we have space for our visitors the next day. Our bar staff and security will be available to help your guests with taxi numbers at the end of the evening.
