

FORMBY JUNIOR NATURE RANGERS
SPRING

There are lots of different types of clouds, what do they look like today?

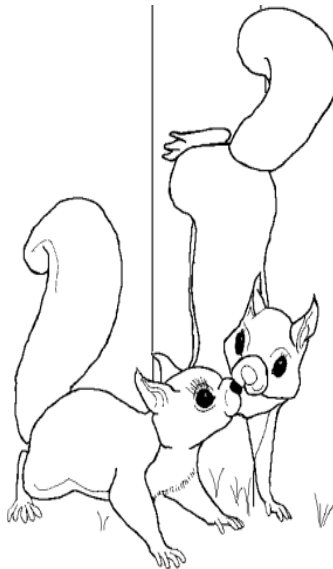

Swifts, swallows and house martins start arriving from Africa in the spring, how many can you spot darting around the sky catching insects?

Trees start to blossom in the spring, how many different colours can you see?

Squirrels are busy building their houses (called dreys) in the trees. How many can you spot in the woods? Remember what they look like and colour in the picture when you get home.

There are lots of flowers at this time of year, see if you can find 4 different types.
