

FORMBY JUNIOR NATURE RANGERS SUMMER

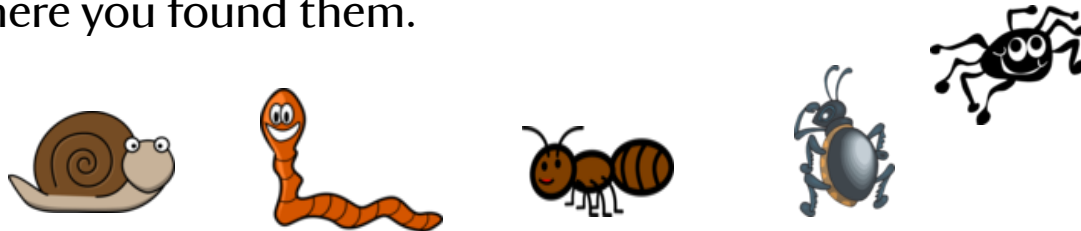

How many of these animals can you spot today? When tracking wildlife always remember to be very quiet and watch from a distance otherwise you may scare them away.

How many flying beastsies can you spot? Here are a few to get you started.

Go on a mini-beast hunt in the woods, look under logs and stones but be very careful and remember to put them back where you found them.

Use this space to draw a picture of any other mini-beasts you see.

Can you find 3 different types of:
