

FORMBY JUNIOR NATURE RANGERS WINTER

If we are lucky it may have snowed, look out for animal tracks and draw them in the space below so you can find out who made them when you get home. Don't worry if it hasn't snowed you can also see tracks in the mud!

Can you spot 3 different types of tree without any leaves?

Can you find 3 different types of tree with berries on?

Write down the names of 3 colourful birds that you spotted today.

Take a walk along the high tide line on the beach and make a list or draw what treasures the sea has washed in, it's not just seaweed and shells.
