Please note that we cannot guarantee that all items will be available at the time of your visit. Please enquire at the time of booking regarding any particular requests.

Specialist equipment

If you are hiring or bringing your own equipment be aware that it may be helpful to let us know so that we can check in more detail whether it will fit into the cottage.

Future Plans to improve Access to National Trust Holiday Cottages

- We are currently in the process of writing Accessibility Guides for all our holiday cottages and improving access over time for all our guests. All feedback is very helpful in informing us of ways in which we can improve access to all our cottages. We welcome any comments or ideas from you about access at this cottage and thank you for taking the time to do this. Please do this in the most convenient way for you. See contact details below or information on website.

About the Accessibility Guide

- This Accessibility Guide is intended to provide key information about the cottage that may be particularly relevant to disabled guests. Please contact us prior to booking if you would like information that is more specific and we will be happy to oblige.
