**Introduction**

Horton Court is a spacious Grade 1 Listed Manor House. It has high ceilings, and a combination of wooden and flagstone flooring with rugs. The rooms are arranged over two floors and there are two staircases. There are additional steps on each floor with a split level master bedroom suite.

Sleeps up to 10 people in 5 bedrooms with 3 bathrooms and 1 shower room.

The property has oil fired central heating and there is a wood burner in the main sitting room.

There are fire-doors in the property with self-closures.

The gardens/grounds are on different levels and uneven, with an unenclosed large lake. There are level seating areas and a Grade 1 Listed Ambulatory. Within the house there is an inner courtyard.

The House is arranged as follows:

**Ground Floor**

Entrance hallway, large living area comprising of a dining area and a sitting area, garden room/snug, kitchen, larder/wine store, boot room, utility room, toilet, inner courtyard garden.

**First Floor**

Master bedroom suite with dressing room and bathroom, landing area, optional twin/king size zip/link bedroom with Jack n Jill bathroom, optional twin/king size bedroom, bathroom, twin bedroom, optional twin/king size zip & link bedroom with en-suite bathroom, toilet.
Pre-arrival

- See the main webpage for booking and location details.
- Please contact us prior to booking if you have any specific access requirements.
- Directions provided with booking.

Approach

The property is accessed by iron double gates and along a wide, level, straight driveway comprising of fine compacted gravel.

Arrival & parking facilities

- There is level parking in front of property for up to 4 vehicles
- There is outside lighting by the front door but if arriving after dark it is advisable to have a torch

Getting in (and out) of the cottage

A dial combination key box is located on a pillar in the cart shed to the left of the entrance gates. It is set at a height 1270mm. The ground is uneven to, and within the cart shed.

Additional Information

- Assistance dogs are welcome at all our cottages
- In the event of a fire, it is the responsibility of the guests to evacuate themselves. Vibrating fire/smoke detectors are available if requested at time of booking. Please contact us if you have any other specific access requirements in this respect.

Facilities at all cottages

The National Trust aims to expand the list of accessible/equipment/items available at each cottage and these may include

- Cordless kettle
- Hollowfibre bedding
- Chair with armrests
- Good reading light
- Large handle vegetable peeler
- Easy tin opener
- Non-slip mat for bath/shower
- Non-slip place mat
- Easy jar opener
- Information in alternative formats (on request)

Please note that we cannot guarantee that all items will be available at the time of your visit. Please enquire at the time of booking regarding any particular requests.
Specialist equipment
Other specialist equipment such as wheelchairs, bath seats, toilet frames etc may be available for loan or purchase from the local Red Cross loan centre. Please check this out before booking the Cottage and contact us if you require further information.

Future Plans to improve Access to NT Holiday Cottages
We are currently in the process of writing access guide for all our holiday cottages and improving access over time for all our guests. All feedback is very helpful in informing us of ways in which we can improve access to all our cottages. We welcome any comments or ideas from you about access at this cottage and thank you for taking the time to do this. Please do this in the most convenient way for you. See contact details below or information on website.

About the Access Guide
This Access Guide is intended to provide key information about the cottage that may be particularly relevant to guests with disabilities. It is reviewed annually. Please contact us prior to booking if you would like more detailed information and we will be happy to oblige.
