Grow our Gardens - Sponsor a Yew

Become part of the story of Ickworth and help us restore our gardens. In 2015 we discovered Box Blight in our gardens and with no current effective cure it is now necessary to replace the box hedging with yew. Over the next three winters we will be planting 2000 yew trees. Please help us grow and restore our gardens by donating today, your gift will contribute towards replanting our gardens.

(Please write clearly, in block capitals.)
