

Cranford at Lacock

“The Christmas special of Cranford involved a snowy scene. The snow was artificial and was machine blown up and down the high street which was covered perfectly. Unfortunately when it rained the snow was all washed away so the film crew had to do it all over again.”

Downton Abbey

“Church Street was set dressed to become the fatstock show in Downton Abbey with many varieties of traditional livestock breeds.”

White Princess

“This scene of the calvary charging through the ford was filmed for ‘The White Princess’. To make it safer for the horses the film crew laid down astroturf”.

Harry Potter and the Half-blood Prince

“The filming of ‘Harry Potter and the Half Blood Prince’, took place over 3 nights, with Harry and Dumbledore walking through the village, after their meeting with Slughorn.”
