There are lots of things for you to discover here at Speke Hall. What can you find as you explore our gardens and woodland? Here are a few ideas to get you started.

Follow the path. Pick up a map, choose your route and set off onto an adventure around the grounds. Where do you end up today?

Navigate your way around the Maze. Can you get round in one go without turning back? How long does it take you?

There are 9 Letters hidden in our Kitchen Garden. Can you find them all and what do they spell?

If you walk past the Kitchen Garden and the Rose Garden you'll see lots of butterflies. How many colours can you see?

Why not go barefoot on the North Lawn? How does the grass feel between your toes? What words can you think of to describe how it feels?

Make your own scavenger hunt! What do you find along the way? There's lots of leaves, small twigs and you might find some feathers too. When you get home why not create a picture with what you find today

There are many types of trees here, some are 100's of years old. Can you name these 3? Touch the bark - does it feel rough, smooth, damp or dry?
