# Mini Makers' Magic Wand Craft

This week we're getting crafty making a simple magic wand or any Once you've completed your magical creation why not share it with us @NTSpekeHall?

## Materials:

- A piece of A4 card (any colour you fancy)
- A mixture of coloured paper
- Colouring crayons
- Glue stick
- Sellotape
- Lollipop stick or any other stick you have handy

**1.** Draw two simple star shapes on your card, ask an adult to help you cut them out.

**2.** Take your coloured paper and cut out lots of little fun shapes, ask an adult for help. Then, take your stars use the glue to stick on all your shapes. You can use crayons to add to your designs.

**3.** Once you have finished decorating, turn your stars over so the decorated side is face down, position your stick and Sellotape it to the back of one of your stars.

Take the glue and cover one of the star's backs in glue, position on top of the other star and stick them together.

**4. You're finished!** You can add some ribbon to make your wand extra magical or leave it as it is. Why not make up some magic spells and practise at home.
