

# Stackpole Centre and Gupton Farm, Pembrokeshire

Ymddiriedolaeth  
Genedlaethol  
National Trust

## Award-winning eco-centre on the Stackpole Estate and green campsite at Freshwater West:

- Set in idyllic coast and countryside
- Affordable accommodation for groups big and small
- Ideal for holidays and outdoor adventures

## Location, location, location

Our 2,000-acre estate in South Pembrokeshire is made for exploring! With award-winning beaches, tranquil woodlands and miles of coastal footpaths, it's difficult not to be inspired by Stackpole.

Whether you're all about wildlife watching in the national nature reserve, walking our network of paths, turning it up a gear with mountain biking or taking to the water for a coastal pursuit, we've got you covered.

For history and heritage, visit the iconic Bosherton Lakes, created by the Cawdor family in the 18th century as part of their designed landscape. Or if you're all about making the most of the coast, beautiful Barafundle Bay and Broad Haven South are ideal for sandy adventures.

## Did you know?

Every visit helps us safeguard the Stackpole Estate for future generations to enjoy. Your support – by car parking, becoming a member, booking accommodation or stopping for a cuppa in the tea-room – enables us to continue our vital conservation work here. Thank you.

## The ultimate base

Stackpole Centre is at the heart of the historic estate making it the ultimate base for discovering the very best of this special place, whether you're looking for organised excursions or self-led adventures.

Have fun with our programme of guided activities; choose from kayaking and coasteering to bushcraft and ranger walks. You're in safe hands too; the centre has an Adventure Activities Licence, with all sessions run by National Trust staff and accredited local operators.

When you're not exploring the great outdoors, there's indoor space to enjoy too. Browse the shop, have a chat with the reception team, enjoy a drink at the bar and reconnect with the free WiFi. We also have a theatre and meeting room facilities on-site.

For a bite to eat, there's the Boathouse Tea-room or our in-house catering team have a foodie option to suit everyone's taste.

## What more could you want?!

## Be our guest

Big groups, small groups, special interest breaks, family gatherings or adventure holidays... whatever your reason for staying, you'll find us very accommodating! Our eco-centre sleeps up to 147 in a combination of single, double and bunkhouse style rooms.

## More to explore

Head further west and just a short drive away you'll discover Freshwater West and Gupton Farm; our seaside site that forms part of the wider Stackpole Estate. Here it's all about coastal adventures and sleeping under the stars at our farm campsite.

Visit the beach for watersports wows; Freshwater West is often regarded as one of Wales' best surfing spots. Hire a board or book a lesson with Outer Reef Surf School, our on-site activity provider.

Or stay on the sand and have fun with kite flying, rockpooling and beach cleaning.

Gupton Farm is a stone's throw from the beach and is our new visitor base in Pembrokeshire. Follow a series of walking trails, spot wildlife on the wing at the on-site bird hide and uncover the farm's story at the interpretation hub.

## Sleep under the stars

Gupton Farm's ideal for a wilder, rustic stay. There's plenty of space with the campsite offering pitches for up to 180 tents and 5 campervans, and the beautifully restored farmhouse sleeping up to 10.

The site has all the amenities you could need, from an on-site reception and brand new shower block to a BBQ area, wet weather barn and free WiFi.

We welcome groups both big and small, with exclusive site hire, catering and organised activities available.

Campsite pitches start from £10 per person, book online or speak to the team on 01646 661640. Whole farmhouse hire is bookable via [nationaltrust.org.uk/holidays](http://nationaltrust.org.uk/holidays)
