

Play ladybirds & bumble bees

It's the same as noughts & crosses but try drawing a bumble bee or a ladybird. Can you spot any in the Gardens? Challenge - best of 3?

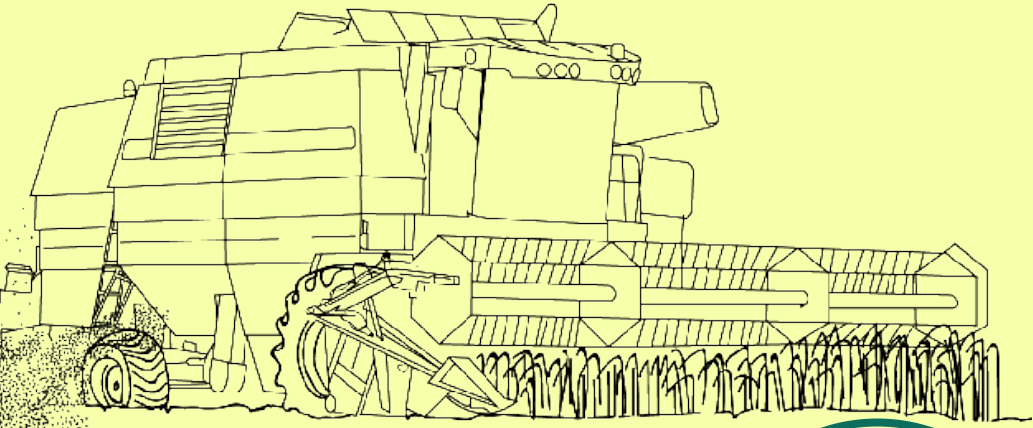

Wimpole's Summer Scavenger Hunt

This Scavenger Hunt belongs to.....

Design and Draw a Bug Hotel

What bugs would stay at your hotel? Is there **space** for them to hide? is there **food** close by? How many bugs could live in your hotel? Is it as big as Wimpole Hall?

Colour in Alberts' **Combine Harvester!** Harvesting our organic crops starts in late September!

Stick your Wimpole sticker here!

Come back for another outdoor adventure in the next School Holidays!

Noticing Nature

Head out into the great outdoors, there is so much to see, smell, hear and discover! What can you see that match the colours of the rainbow, a bird? a flower? a tractor?

Bird watching...

Make a tally of every bird you see! A good way to mark down how many you've seen is in groups of 5 lines like this.. IIII

Counting Sheep!

How many of our Ewes, Rams and Lambs can you count? We have 7 rare breeds of sheep that live here at Home Farm. Some of these will be out in our Parklands. Write down the amount in the spots!

Build a DEN!

Find a spot in the Parklands big enough and collect some sticks..How big will your den be?

The **name** of your Den is -

.....
The **password** to get into your Den is-

.....
The **best thing** about your Den is-

Summer Spot and Jot!

Can you spot any of these things whilst exploring outside? Tick them off as you go!
